Chairman of the Parish Council's Report

Copies of the report were given to all Councillors and the Clerk. Cllr. Mrs Turner summarised her report for Council. The report focussed on the many positive developments that had happened during 2007/08. The report focused on the improvements to the Village environment that have been undertaken during the year but also encompassed the many other areas of work that the Parish Council is involved with.

Comments on the Chairman's Report

Cllr. Tingle thanked the Chair for her report and for the work she had done during her year of Office. All other members of the Council echoed Cllr. Tingle. It was commented that the proposed wind turbine project had not been mentioned but members agreed that this scheme appeared to be in abeyance at the moment.

Items of concern from electors and other items affecting the Parish

It was thought that any items of this nature may be aired at the Parish Plan meeting due to be held later in the month.

The meeting closed at 7.20 pm
